

Initiatives in School Education

NISHTHA: Manipur (26th
September 2019)

Scope of SAMAGRA Shiksha

- Integrates the existing schemes of Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shiksha Abhiyan (RMSA) and Teacher Education (TE)
- From project objectives to improving systems level performance and schooling outcomes
- Envisages the 'school' as a continuum from pre-school to senior secondary levels.
- Ensures inclusive and equitable quality education including learning outcomes from pre-school to senior secondary level
- Aligns with SDG 4.1

Key focus of the SAMAGRA Shiksha

- Improve Two Ts – Teacher and Technology in Education
- Improve the transition rates across school-stages
- Support all children to complete school education
- Achieve effective convergence between various interventions:
 1. To arrive at unified training calendar without repetition
 2. Encourage innovations in pedagogy
 3. Mentoring and monitoring
- Enhance student learning outcomes

Objective:

Ensure minimum standards in schooling provisions that conforms to prescribed norms
